

**INTERNATIONAL
CITY NUMBERS**
POWERED BY NETCOMM

*“Your Customers Call
Local, You Trade Global”*

Many overseas customers prefer to do business with local suppliers, so all you need is an International city telephone number, giving the appearance that your business is local.

BUSINESS AS USUAL!

With an international city number, calls are diverted to your UK business number or smartphone, where a recorded message will greet your customers in their own language.

Yours for just £9.99 per month

Phone us now for a quote!

- Over 30 years telecom experience
